MEMORANDUM

DATE: September 27, 2006
TO: Athletic Association Presidents
FROM: Ed MacHolda, Assistant Director
SUBJECT: EDINA COMMUNITY CENTER PARKING

Attached is a map of the new and improved Edina Community Center campus. In an attempt to encourage better traffic flow for the Edina Community Center and South View Middle School users as well as those that live in the neighborhood we would like to recommend the following:

- When you or your group is planning to use the Edina Community Center Main Gym, Small Gym or City Gym please park in the South Lot and enter the gymnasiums through door #8.
- When you or your group is planning to use the South View Middle School Gym #1, #2, #3 or the City Gym please park in the South View Lot and enter the gymnasiums through south door.

We sincerely appreciate your cooperation in this matter. Thanks again.
